Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the following projects in fiscal year 2023 for the Subcommittee on Labor, Health and Human Services, Education, and Related Agencies: City of Houston-Houston Health Department's See to Succeed project. The entity to receive funding is located at the following address: City of Houston-Houston Health Department, 8000 N. Stadium Drive, Houston, TX 77054.

City of Houston-Houston Health Department would use the funds to provide vision exams and quality corrective eyewear at no cost to children ages 6-18 who have failed their initial vision screening at school. See to Succeed is a public-private partnership initiative created to resolve unmet vision needs of children in the greater Houston and surrounding areas (Harris and Fort Bend counties). See to Succeed eliminates barriers to care for students who otherwise may not have access to vision services by working with the district and directly with schools to get students consented and bussed to our program in a field-trip style. Since its inception in 2011, See to Succeed has provided over 92,000 eye exams and over 84,000 pairs of glasses.

I certify that neither I nor my immediate family has any financial interest in any of these projects.

Very truly yours,

Sheila Jackson Lee
